Guidelines

- **Eligibility**

In order to be eligible for benefits from the Fund, applicants must have received all of their secondary education in Goldendale High School and, along with their parents or guardians, have been residents of the Goldendale School District or contiguous elementary districts during those years, and be residents at the time of selection. Students who graduate in less than four years shall also be eligible for benefits from the Fund. This requirement shall not preclude participation in a high school student exchange program.

An applicant who fails to meet the eligibility requirements outlined above may be given special consideration during the selection process by the Board of Directors if extraordinary circumstances can be substantiated in writing.

- **Grade Point Average and Hours Requirements**

All recipients shall be required to maintain, at a minimum, an annual and cumulative grade point average for the preceding year as follows: HS Graduate – 2.0; Freshman – 2.2; Sophomore – 2.35; Juniors – 2.5. All recipients must complete not less than 12 hours per term or 36 hours per school year (semesters 12/24), unless a waiver is authorized by the Board of Directors. A recipient must be enrolled as a full-time student for each term or semester during which they receive financial assistance from the Fund. The grades and hours earned by recipients for academic credit at the college level for high school courses or by challenging a college course for academic credit shall **NOT** be included in determining whether or not the recipient is in compliance with the grade point average and hours requirements.

- **Four Year Limit**

The philosophy of the Fund is that all recipients are selected for a period of one school year (i.e. three terms, two semesters). When deemed reasonable, at the sole discretion of the board, reappointment will automatically be made if the beneficiary complies with the grades and hours requirements set forth herein, but in no event shall any person be eligible to receive assistance from the Fund after having completed 12 terms (8 semesters) in a school as a full time student.
