MARSDEN SCHOLARSHIP

The George and Dorothy Marsden Scholarship Fund

January 2022

Dear School Counselor or Advisor:

Do you know of a student who demonstrates exceptional academic potential and who feels a top college is financially out of reach? That student may qualify for \$30,000 over four years as a Marsden Scholar.

We are looking for students from eastern Washington and northern Idaho who continue to push themselves inside and outside the classroom. Current Marsden Scholars maintained high grades in high school, garnered recognition for their academic achievements and their drive to contribute to their communities, and have a vision for their future education and their role in the world. While financial need is a consideration in the award of this scholarship, academic potential is a greater consideration.

You are invited to encourage such students to apply to be named as Marsden Scholars at: <https://www.stjohns-cathedral.org/outreach/marsden-scholarship/> One of the most generous scholarships in the Inland Northwest, the Marsden Scholarship is available for any accredited institution and is renewable with satisfactory progress toward a degree.

The application opens on February 1 and the deadline for applications is March 31, 2022. Applications must be accompanied by transcripts and recommendations. **Encourage your students to apply well before the deadline, as that allows time to check for missing materials and deal with computer glitches.** For more information visit our web site: <https://www.stjohns-cathedral.org/outreach/marsden-scholarship/>

Sincerely yours,

Ken Beck
